Now's the time to start fresh. HP is offering a cash-back incentive that makes it extra rewarding when you upgrade to a fast, energy-efficient new HP printer.

Through the Trade In and Save promotion, **you can earn a check for up to \$1,000** when you upgrade to a new HP printer and then recycle your old laser or ink printer (any brand). Any brand of ink or laser printer is acceptable for trade in, regardless of working condition. Desktop units only, no floor standing units—printers, copiers, MFP's. Your savings are determined by the new HP printer model you choose.

When you upgrade, you'll enjoy free return shipping, recycling, cost savings and energy savings.

Prices good through 12/31/09
